Tests To Perform: Piracetam. Heavy metal analysis.

Reference for Methods of Analysis: AOAC ICP/ICP-MS (Heavy Metals), Journal of Liquid Chromatography and Related Technologies, 2005 (Piracetam).

Date Received: December 5, 2008

Received From: American Nutrition, Inc.
1550 W. Evans Ave. #F
Denver, CO 80223

Date Reported: December 30, 2008

Lab reference number: 08458. 1 Sample. No Paperwork

Piracetam Content: 99.6%.

Total Heavy Metals (ICP/ICP-MS Method): None Detected (LOD = 10ppm).

Total heavy metals is the sum of: Lead, mercury, bismuth, arsenic, antimony, tin, cadmium, silver, copper and molybdenum: Less than 5ppm

Kyle Newman, Ph.D.
Laboratory Director
